ALL-RUSSIAN CONFERENCE

with international participation

LEARNING, COMFORT AND SAFETY DURING LIFETIME.

**Problems of education, socialization and professional training of people over 18 years
old with mental and intellectual disabilities**

March 17, 2021, 10.00 am MSK (UTC\GMT +3)

The conference is expected to discuss issues related to continuing education, socialization and professional training opportunities for people over 18 years of old with intellectual and mental disabilities. These are older adolescents with potential for further development and socialization.

THE PURPOSE OF THE CONFERENCE is to discuss and to present to the wider public the problems of organizing living space, creating conditions for effective social adaptation and work activity of adult children with intellectual and mental disabilities.

The conference will discuss live cases of ensuring a comfortable life for adult children with ASD, with intellectual and mental disabilities in the after-school reality. Participants will have a unique opportunity to get an insight into organizing living space for people with disabilities over 18 years old in Russia, the United States, Israel and other countries.

Conference topics:

- ✓ Projects of boarding houses with assisted living and professional education for people with mental and intellectual disabilities but with the potential for development and socialization
- ✓ Volunteer support for projects to support families upbringing children with intellectual disabilities
- ✓ Availability of learning environment and variability of educational routes after special-needs school
- ✓ Creative education for youth with disabilities
- ✓ Sports projects of social adaptation and health improvement of people over 18 years old with intellectual and mental disability
- ✓ Organization of after-school psychological support
- ✓ Career guidance and craft training projects for adult children with ASD and mental disabilities

The conference will be held online Conference participants:

- ✓ representatives of public authorities,
- ✓ heads of educational institutions,
- ✓ parents
- ✓ teachers of educational special-needs institutions,
- ✓ heads and employees of NGOs,
- ✓ students
- ✓ volunteers
